If you cancel this program you cannot get back into it unless the cancellation is due to you moving out of the area. This program cannot be redeemed for cash with the exception of you moving out of the area. You would then be entitled to only the money that you contributed and not the portion of money that Chino Hills Service Center contributed. CHSC has 30 days to refund your money. It is up to you to make sure we have your new address. If your card comes back as NSF you will be cancelled from the program and the bank fee will be deducted from your balance. You will be sent an email once a month to confirm the charge and give you your new balance. You are allowed to make one change in the amount charged per year.
